December 2011

Dear Sunday Express

Freedom of Information Request Reference N°: FOI 424/11/12

I write in connection with your request for information received by the Norfolk Constabulary on the 17th November 2011 in which you sought access to the following information:

- 1 I would like to request under the Freedom of Information Act details of big cat and wild animal sightings reported to your force during the last five years.
- 2 I would also like to request details of extra-terrestrial and supernatural sightings reported in your area during the same period.

Norfolk Constabulary holds information relevant to your request.

Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.

Part 1

In August 2011 we disclosed information relating to a request for reports of suspected "big cats" between January 2010 and August 2011. The response to this request is available to view on the Disclosure Log of the Norfolk Constabulary website.

Under Section 21(1) of the Freedom of Information Act (2000), public authorities are not required to provide information that is reasonably accessible to the public by other means, in this case via the Norfolk Constabulary website, therefore in accordance with Section 17 of the Freedom of Information Act (2000), this serves as a Refusal Notice for this part of your request.

Please use the link below to access the relevant page of the disclosure log. The document reference of the response is 225/11/12.

<http://www.norfolk.police.uk/aboutus/yourrighttoinformation/freedomofinformation/disclosurelog.aspx?category=Contact+and+Control+Room&year=2011>

As detailed on that response the information has been collated from reports made to Norfolk Constabulary's Contact and Control Room. The keywords used to carry out the search are: Big

Cat, Black Cat, Large Cat, Cheetah, Feline, Leopard, Lion, Lynx, Panther, Puma and Tiger. Reports not relevant to this request have been manually excluded.

The same search has been carried out for the years 2006 to 2009 and the results are detailed below:
